- The provided styrofoam box must be used for turn ins. For all entries, the lid must be fully closed upon turn-in.
- Garnish is optional. When used, garnish is limited to chopped, sliced, shredded or whole leaves of fresh green lettuce, curly parsley, flat leaf parsley, curly green kale and/or cilantro.
- Boxes are not to be marked in any way.

General Rules:

- **Proteins for the three categories will be provided by John Mull's Meats & Roadkill Grill.** Teams are required to use the provided proteins.
- **Teams will be given their proteins upon load-in.**
- Teams are responsible for bringing their own cooking equipment and any supplies needed to execute the cooking process. Teams are responsible for bringing their own grill(s)/fuel source; any fuel source is permitted.
- **NO deep frying.** Pan frying is permitted but teams are responsible for keeping a clean area & proper grease disposal.
- **Electricity will not be provided.** If you require power, you are welcome to bring a quiet generator. Please be considerate of your neighboring teams. We reserve the right to ask you to discontinue the use of your generator if we deem it too loud and a disturbance to surrounding teams.
- NVBBQA will provide 3 styrofoam turn-in boxes to each team- they are not to be marked to identify your team in any way. Detailed turn-in rules are outlined in the category rules below.
- Teams are required to bring a current & charged fire extinguisher and have it available in their cooking area at all times.
- Teams are expected to leave their sites as clean as they were found. Please bag your own trash and take it to the dumpster. Ash containers will be available. You are

responsible for disposal of grease and gray water in the designated area.

- This is a family-friendly event and due to the location of the retail business of the site “the red solo cup rule will apply.” All alcoholic beverages should be in cups or concealed containers. Excessive use of alcoholic beverages or public intoxication are grounds for eviction.
- Teams agree to properly store foods at safe food zone temperature (uncooked below 40° and cooked above 140°). For more information regarding food safety please visit: <https://www.southernnevadahealthdistrict.org/Health-Topics/food-safety/>
- Teams are required to have a hand wash set up (a gravity flow dispenser, soap, paper towels and a drain bucket [see example](#)). Wearing food handling gloves is recommended. Teams are required to adhere to clean and safe food handling practices.
- There will be a ten minute “open turn in window” for each category - late turn ins will not be accepted.
 - Example: the 1:00pm turn-in window is from 12:55 pm to 1:04:59 pm. At 1:05pm turn-in is late and will not be accepted.
- The NVBBQA will reserve all rights and judgements as to any situations that may arise during the event.
